

Sympo

Frontiers in Inorganic Chemistry: Catalytic and Biomedical Applications

Organized by Indian Institute of Science Education and Research,
Kolkata

Under BRICS Program

Venue:

Asima Chatterjee Lecture Hall (TRC 2nd Floor) IISER Kolkata

3rd January 2020

The symposium will include invited lectures on the following topics:

- *Organoboron Chemistry*
- *Inorganics in Biomedical Applications*
- *Mechanistic and Spectroscopic Insights*
- *Inorganic Materials*

Contact Details:

Prof. Swadhin K Mandal

Department of Chemical Sciences

IISER Kolkata.

swadhin.mandal@iiserkol.ac.in

Our Honorable Speakers

Prof. Amitava Das
CSMCRI, Bhubaneswar

Dr. Anil K. Thapliyal
IIT Kanpur

Prof. D. Jemmis
Indian Institute of
Science, Bangalore

Prof. G. K. Lahiri
Indian Institute of
Technology, Mumbai

Prof. Jitendra K Bera
Indian Institute of
Technology, Kanpur

Prof. Narayan Hosmane
Northern Illinois
University, USA

Prof. Swapan K Pati
JNCASR, Bangalore

Prof. N. Nesmeyanov
Institute of
Inorganic and Applied
Chemistry, Moscow

Prof. N. Nesmeyanov
University of
Illinois, Urbana

BRICS
